

## Dexter Township Resolution # 18-521

### A resolution to approve the updated deficit recovery plan for Fund 406

The Dexter Township Board previously approved a deficit recovery plan, (Resolution 15-445, 16-470, and 17-487) for Fund 406. Each year it is necessary to consider modifications to the plan. The deficit occurred because the Township Board also approved internal financing of the Fire Sub Station (Fund 406), which will save the Township \$75,000-\$100,000 in interest costs. The source of the repayment of the General and Fire Department Fund loans, which financed the construction of the project, will be the additional tax revenues generated by the voter approved millage to pay for the construction (copy of ballot attached). The millage expires in tax year 2018, and the small shortfall which may occur in the collection of the revenues over the period, and the loan amounts, will be covered by General Fund transfers in FY 2018-2019, when the final millage is collected and the shortfall, if any, is determined.
