### ADMINISTRATIVE SITE PLAN LIMITATIONS

#### AMENDED SITE PLAN

## SECTION XX.20 - GENERAL SITE PLAN PROVISIONS

- (A) *Combined Site Plan Review:* An applicant may request a combined preliminary and final site plan ~~approval~~ review. The Director of Planning and Zoning or the Planning Commission may require separate preliminary and final site plan ~~approval~~ review if, in its opinion, the complexity or size of the proposed development makes such a separation necessary. Combined site plan review shall not be considered for a project with more than one (1) phase.
- (B) *Developments with Multiple Phases:* Projects with multiple phases shall have one (1) preliminary site plan for the entire project and one (1) final site plan for each phase.

- (C) **Site Plans Requiring a Variance:** The applicant shall obtain any necessary variance(s) before ~~preliminary~~final, combined, or amended site plan approval. All site plans requiring a variance shall be reviewed by the Planning Commission.
- (D) **Site Plans for Special Land Uses:** Site plans for special land uses shall have the special land use ~~review approval~~ before or at the same time as the ~~final~~preliminary, combined, administrative, or amended site plan review. ~~Applicants are encouraged to receive special land use approval at a meeting before the combined, final, administrative, or amended site plan review.~~
- (E) **Site Plans for Open Space Preservation Communities:** Site plans for open space preservation communities shall have the open space preservation community ~~review approval~~ before or at the same time as the ~~final~~preliminary, combined, or administrative site plan review. ~~Applicants are encouraged to receive open space community approval at a meeting before the preliminary or combined site plan review.~~
- (F) **Changes to Preliminary Site Plan:** The Planning Commission may approve changes to an approved preliminary site plan during final site plan review.
- (G) **Right to Enter Property:** Submission of a site plan application shall constitute permission for the Township to access the property to complete onsite investigations for the purpose of administering this Article.
- (H) **Conditions of Approval:** The approving authority may impose reasonable conditions in granting an approval related to the following:
- (1) **Health, Safety, and Welfare:** Conditions shall be designed to protect the health, safety, and welfare of those who will use the site under consideration, residents and landowners immediately adjacent to the site, as well as the community as a whole;
  - (2) **Public Services and Facilities:** Conditions shall be designed to ensure that public services and facilities affected by a proposed activity will be capable of accommodating the resulting increased service and facility loads;
  - (3) **Police Power:** Conditions shall be related to the valid exercise of the police power and purposes that are affected by the activity; ~~or~~
  - (4) Compliance: Conditions shall be necessary to ensure compliance with the standards and provisions of this Ordinance, other Township Ordinances, or state and federal law;
  - (5) Development Agreement: If a development agreement has not been approved by the Township Board prior to a final, amended, or administrative site plan approval or the requirement to have a development agreement has not been waived by the Township Board, the approval or waiver of a development agreement shall be a condition of approval;
  - ~~(4)~~(6) Master Deed and Bylaws: If a master deed and bylaws has not been approved by the Township prior to a final, amended, or administrative site plan approval, the approval of a master deed and bylaws shall be a condition of approval.
- (I) Development Agreement: A development agreement between the applicant and the Township shall be necessary for all site plan approvals, except as noted below. The Township Board may waive the development agreement if it finds all of the following to be true:
- (1) Minor Project: The scope of the project is of a such limited nature that a development agreement is not necessary to ensure completion; and
  - (2) No Harm: The lack of a development agreement will not cause harm to surrounding properties or the Township in general.

**(J) Master Deed and Bylaws:** Any site plan with a master deed and/or bylaws shall have those approved by the Township and shall address, at a minimum, the following items:

- (1) Maintenance:** For condominiums or site plans, the master deed shall contain provisions describing the responsibilities of an association, owners, and public entities concerning maintenance of the property in a manner consistent with the approved site plan.
- (2) Financing:** The master deed shall contain provisions for financing the regular maintenance and replacement of common improvements of the approved site plan.

**(K) Performance Guarantee:** The applicant shall provide a performance guarantee, in a form acceptable to the Township, before issuance of a **Zoning Permit/Preliminary Certificate of Zoning Compliance**. The performance guarantee may be included as part of the development agreement and shall be provided to the Township no later than the Preconstruction Conference.

- (1) Amount:** The amount of the performance guarantee shall be adequate to complete the improvements or restore the site and maintain the site.
- (2) Form:** The performance guarantee shall be a cash deposit or irrevocable (evergreen) letter of credit.
- (3) Waiver of Performance Guarantee:** The Township Board may waive the performance guarantee if it finds all of the following to be true:
  - a. Minor Project:** The scope of the project is of a such limited nature that a development agreement is not necessary to ensure completion; and
  - b. Other Guarantees:** There are other guarantees that will ensure that the project will be developed according to the approved site plan and any conditions of that approval.

**(L) Contact with Planning Commissioners (Ex-parte Contact):** No person shall communicate directly with any member of the Planning Commission before a public hearing with the intent of influencing the member's action or decision. Written comments may be submitted to the Director of Planning and Zoning for distribution to the Planning Commission. This shall not prohibit the Director of Planning and Zoning from promulgating staff reports and other related materials to the Planning Commission.

## SECTION XX.25 - GENERAL SITE PLAN REVIEW PROCESS

Site plans shall be reviewed as described below and in this Article.

**(A) Preapplication Meeting:** The applicant shall meet with Township Officials, other agencies, and other interested parties prior to submission of a site plan application.

- (1) Intent:** The intent of the preapplication meeting is to inform Township Officials and other interested parties of the general concept of the proposed development and to provide the applicant with feedback and guidance concerning the application. Statements made in the course of a preapplication meeting shall not be legally-binding on any party nor construed as representing approval or actions the approving authority may make during site plan review.
- (2) Township Attendance:** The Director of Planning and Zoning shall invite the following individuals to attend the preapplication meeting:
  - a.** Other Township Officials, including, but not limited to: the Planning Commission Chair, the Township Engineer, and the Township Attorney; and

b. Officials from other agencies, including, but not limited to: the Washtenaw County Road Commission, the Washtenaw County Environmental Health Department, the Washtenaw County Water Resources Commissioner, the Dexter Area Fire Department, and local schools.

(3) *Applicant Attendance:* The applicant, or an agent, shall attend and shall be responsible for inviting individuals responsible for preparing the site plan.

(B) *Application:* The applicant shall submit a complete and accurate site plan application form provided by the Township for that purpose. The application shall include all relevant materials, as outlined in this Article, any materials request by the approving authority, and any additional materials determined necessary by the Director of Planning and Zoning. Submission of an application constitutes a representation that all the information is complete and accurate.

(C) *Fee:* A fee, as established by the Township Board, shall be submitted at the time of application. No fee shall be required if the Township Board, Director of Planning and Zoning, or any official or body of the Township is acting as the applicant on behalf of the Township.

(D) *Review of Completeness:* An application for a site plan shall be reviewed by the Director of Planning and Zoning for completeness.

(1) *Review Letter:* The Director of Planning and Zoning shall issue a review letter within ten (10) days of receiving the application stating whether the application is complete or, if not, what additional materials or information is necessary for it to be considered complete. This period may be extended at the applicant's request in writing. If the review letter is not issued within the above period, a site plan application reviewed by the Planning Commission shall be placed on the next available Planning Commission agenda. (CALENDAR/BUSINESS DAYS)

(1)(2) *Filing Date:* The date on which the Director of Planning and Zoning declares an application complete or the expiration of the ten (10) days described above shall be considered the filing date for the application.

(D)(E) *Standard Planning Commission Site Plan Review:* When the Planning Commission is the approving authority, site plan review Preliminary and final site plan reviews shall be conducted by the Planning Commission at a public hearing.

(E) *Amended Site Plan Review:* Amended site plan reviews shall be conducted by the original approving authority. Amended site plan reviews conducted by the Planning Commission shall be at a public hearing.

(F) *Administrative Site Plan Director of Planning and Zoning Review:* Administrative site plan review shall be conducted by the Director of Planning and Zoning but may be referred to the Planning Commission at the Director of Planning and Zoning's discretion. When the Director of Planning and Zoning is the approving authority, site plan review shall not be conducted at a public hearing but shall require notice as outlined in this Article.

(F) *Development Agreement:* A development agreement between the applicant and the Township shall be necessary for all site plan approvals, except as noted below. The development agreement shall be approved or the requirement to have a development agreement shall be waived by the Township Board before submission of a combined, final, administrative, or amended site plan application. The Township Board may waive the development agreement if it finds all of the following to be true:

(1) *Minor Project:* The scope of the project is of a such limited nature that a development agreement is not necessary to ensure completion; and

(2) *No Harm:* The lack of a development agreement will not cause harm to surrounding properties or the Township in general.

~~(G) **Master Deed and Bylaws:** Any site plan with a master deed and/or bylaws shall have those approved by the Township Attorney before submission of a combined, final, administrative, or amended site plan application.~~

~~(1) **Maintenance:** For condominiums or site plans, the master deed shall contain provisions describing the responsibilities of an association, owners, and public entities concerning maintenance of the property in a manner consistent with the approved site plan.~~

~~(2) **Financing:** The master deed shall contain provisions for financing the regular maintenance and replacement of common improvements of the approved site plan.~~

~~(H) **Performance Guarantee:** The applicant shall provide a performance guarantee before construction, in a form acceptable to the Township. The performance guarantee may be included as part of the development agreement and shall be provided to the Township no later than the Preconstruction Conference.~~

~~(1) **Amount:** The amount of the performance guarantee shall be adequate to complete the improvements or restore the site and maintain the site.~~

~~(2) **Form:** The performance guarantee shall be a cash deposit or irrevocable letter of credit.~~

~~(3) **Waiver of Performance Guarantee:** The Township Board may waive the performance guarantee if it finds all of the following to be true:~~

~~a. **Minor Project:** The scope of the project is of a such limited nature that a development agreement is not necessary to ensure completion; and~~

~~b. **Other Guarantees:** There are other guarantees that will ensure that the project will be developed according to the approved site plan and any conditions of that approval.~~

~~(I) **Preconstruction Meeting:** A preconstruction meeting shall be held between the applicant and Township officials and other interested parties prior to issuance of a Preliminary Zoning Certificate of Compliance/ Zoning Permit for the project.~~

~~(J)(G) **Contact with Planning Commissioners (Ex parte Contact):** No person shall communicate directly with any member of the Planning Commission before a public hearing with the intent of influencing the member's action or decision. Written comments may be submitted to the Director of Planning and Zoning for distribution to the Planning Commission. This shall not prohibit the Director of Planning and Zoning from promulgating staff reports and other related materials to the Planning Commission.~~

~~(K)(H) **Transmission of Materials:** The Director of Planning and Zoning or appropriate official or body shall transmit all relevant records and other materials to the Planning Commission.~~

~~(L)(I) **Hearing Appearance:** Any party may appear in person or by duly-authorized agent or attorney at public hearings.~~

~~(M)(J) **Hearing Recess:** The Planning Commission may recess public hearings for site plans from time to time with notice conforming to the requirements of the Open Meetings Act.~~

~~(N)(K) **Timely Decisions:** Decisions shall be made in a timely manner, based on the approving authority, as follows:~~

~~(1) **Planning Commission:** The Planning Commission shall render its decision within sixty (60) days of the initial filing date **(ACCEPTANCE DATE)**, unless a delay is agreed to by the applicant and the Planning Commission. The decision shall be final upon adoption of meeting minutes or signing of a resolution by the Township, whichever occurs first.~~

- (2) *Director of Planning and Zoning:* The Director of Planning and Zoning shall render a decision within forty-five (45) days of the filing date **ACCEPTANCE DATE**, unless a delay is agreed to by the applicant and the Director of Planning and Zoning. The decision shall be final upon issuance of a letter outlining the decision by the Director of Planning and Zoning.

**(L) Acceptance of Conditions:** The approval of any site plan shall only be effective upon acceptance of the approval and any conditions of the approval by the applicant.

**(M) Preconstruction Meeting:** A preconstruction meeting shall be held between the applicant and Township officials and other interested parties prior to issuance of a **Preliminary Zoning Certificate of Compliance/ Zoning Permit** for the project.

~~(N)~~ **(N) Rehearing:** A rehearing shall be processed in the same manner as the original application, including a new fee, unless initiated by the Planning Commission or Township Board. A request for rehearing shall be made within thirty (30) days of the decision becoming final. The only grounds upon which a rehearing of a previously-denied site plan shall be granted is if the approving authority, upon inspection, finds one (1) or more of the following to be true:

- (1) *New Evidence:* Newly-discovered evidence is available;
- (2) *Inaccurate Evidence:* Evidence previously relied upon is found to be inaccurate; or
- (3) *Procedures:* Proper procedures were not followed.

~~(O)~~ **(O) Reapplication:** A site plan application that has been denied shall not be resubmitted for reconsideration for a period of one (1) year from the date the decision became final, unless:

- (1) *Changed Conditions:* The approving authority, upon inspection, finds proof of changed conditions that contributed to the denial; or
- (2) *Changes to Site Plan:* Substantial changes have been made to the site plan that address the reasons for denial.

~~(P)~~ **(P) Revocation:** An approved site plan may be revoked by the approving authority as outlined below:

- (1) *Notice:* The applicant shall receive notice of the possible revocation, including the time and place the revocation will be considered and the reason for the revocation.
- (2) *Public Hearing:* If the Planning Commission is the approving authority, the revocation shall be heard at a public hearing.
- (3) *Decision Criteria:* In order to revoke an approved site plan, the approving authority shall find any of the following to be true.
  - a. *Ordinance Standard:* The execution or use of a **Zoning Permit/ Preliminary Certificate of Zoning Compliance** related to the approved site plan is not consistent with a standard of this Ordinance as it existed at the time of approval;
  - b. *Condition of Approval:* The execution or use of a **Zoning Permit/ Preliminary Certificate of Zoning Compliance** related to the approved site plan is not consistent with any condition of approval;
  - c. *Commitments:* The execution or use of a **Zoning Permit/ Preliminary Certificate of Zoning Compliance** related to the approved site plan is not consistent with any written ~~or verbal~~ commitment; or
  - d. *Fraud:* The approval was a result of fraud or misrepresentation of facts.

(4) *Effect:* Upon revocation of a site plan, all activity shall cease immediately, except for work directly related to securing the site or correcting a violation.

~~(R)~~(Q) *Suspension:* An approved site plan may be suspended temporarily and immediately by the approving authority as outlined below:

(1) *Notice:* The applicant shall receive notice of the possible suspension, including the time and place the suspension will be considered and the reason for the suspension.

(2) *Public Hearing:* A public hearing shall not be necessary for suspension of an approved site plan.

(3) *Decision Criteria:* In order to suspend an approved site plan, the approving authority shall find both of the following to be true:

a. *Threat:* A severe and imminent threat exists to the health, safety, and welfare of neighboring persons or properties; and

b. *Delay:* The delay required for noticing would be detrimental to efforts to mitigate or respond to the threat.

(4) *Effect:* Upon suspension of a site plan, all activity shall cease immediately, except for work directly related to securing the site or addressing the threat.

- (E) **Nonapplicable Items:** If any of the required information above is not applicable to a particular site plan, a list of those items shall be included ~~in~~ with the application or on the site plan with and shall state the reasons why the applicant believes each listed item should not be considered necessary.
- (F) **Waiver of Information:** The approving authority may waive, after consultation with the Director of Planning and Zoning and the Township Engineer, the requirement to include specific information from a site plan, as outlined below:
  - (1) **Criteria:** The approving authority shall make a written finding describing how omission of the information will not negatively impact the ability to review the site plan for compliance with the Zoning Ordinance, other Township ordinances, and state and federal law.
  - (2) **Rescinding Waiver:** The approving authority may rescind the waiver at a later date if it determines the information is necessary for reviewing the site plan.
- (G) **Combined Site Plan:** Combined site plans shall include the information necessary for both preliminary and final site plan review.
- (H) **Amended Site Plan:** Amended site plans shall include the information for the type of site plan being amended and shall clearly illustrate what is being amended.

**SECTION XX.35 - PRELIMINARY SITE PLAN REVIEW PROCESS**

Preliminary site plans shall be reviewed as outlined in this Section.

- (A) **Application Materials:** An application for a preliminary site plan review shall include the following:
  - (1) **Application Form:** A signed and completed application form;
  - (2) **Fee:** A site plan application fee, as outlined in the adopted fee schedule;
  - (3) **Site Plans:** At least fifteen (15) hard copies of the site plan and a digital copy of the site plan, in a format acceptable to the Township. The applicant may submit one (1) copy with the application and submit the remaining copies following the review of completeness; and

(4) *Additional Materials:* Any additional information determined necessary by the Director of Planning and Zoning.

~~(B) *Review of Completeness:* An application for a preliminary site plan shall be reviewed by the Director of Planning and Zoning for completeness.~~

~~(1) *Director of Planning and Zoning Review Letter:* The Director of Planning and Zoning shall issue a review letter within ten (10) days of receiving the application stating whether the application is complete or, if not, what additional materials or information is necessary for it to be considered complete. This period may be extended at the applicant's request in writing.
